

REMARKS

The Office Action and prior art relied upon have been carefully considered. In an effort to expedite the prosecution of the present application, the objections to the drawings, specification and claims as stated on pages 2 and 3 have been attended to as required by the Examiner.

Claims 1-18 are pending in this application.

The Examiner rejects claims 1, 2, 13, and 14 under 35 U.S.C. 102(e) as being anticipated by Ogawa et al. (U.S. Patent No. 6,314,571).

The Examiner rejects claims 3-7 and 15 under 35 U.S.C. 103(a) as being unpatentable over Ogawa et al., in view of Chaney (U.S. Patent No. 5,841,433).

The Examiner rejects claims 8-10 and 18 under 35 U.S.C. 103(a) as being unpatentable over Ogawa et al., in view of Henning (U.S. Patent No. 5,956,455).

The Examiner rejects claims 11 and 12 under 35 U.S.C. 103(a) as being unpatentable over Ogawa et al., in view of Hamilton et al. (U.S. Patent No. 5,579,055).

The Examiner rejects claims 16 and 17 under 35 U.S.C. 103(a) as being unpatentable over Ogawa et al., in view of Kikinis (U.S. Patent No. 6,490,725).

In regard to the prior art rejection, claims 1-18 for primary reference is to Ogawa which was filed on July 12, 1999 and patented on November 6, 2001.

Applicant hereby asserts its priority claim of February 25, 1999 as an effective date which is earlier than the filing date of Ogawa.

In order to perfect its priority claim, Applicant hereby encloses a verified Translation of the Certified Priority Japanese Patent Application upon which this U.S. application is based.

Accordingly, Ogawa should be withdrawn as a reference thereby voiding all of the prior art rejections stated in the Office Action and effecting the currently amended claims 1-18.

The application is therefore now in condition for formal allowance.

In view of the above amendment, applicant believes the pending application is in condition for allowance.

Applicant believes no fee is due with this response. However, if a fee is due, please charge our Deposit Account No. 22-0185, under Order No. 20402-00602-US from which the undersigned is authorized to draw.

Dated: August 5, 2004
